

# Help Shape Guilford's Future

Join a Task Force  
Wed, Dec 4 ~ 6-9pm  
Guilford Central School

---

Through the Vermont Council on Rural Development's Community Visit to Guilford, residents have selected three Task Force Action Areas. On December 4th, VCRD will return to Guilford with a team of resource leaders to help us line up for action. Come and join one of these task forces, share your ideas, and help shape a vibrant future for Guilford.

## ✓ REDEVELOP THE GRANGE BUILDING

The task force could work to:

- ♦ grow its role as a community center and focal point for culture, youth activities and programs, entertainment and civic life in the community;
- ♦ improve and refurbish the building inside and out.

## ✓ DEVELOP SM. BUSINESS INCUBATION SPACE

The task force could work to:

- ♦ inventory potential building space;
- ♦ lead in promoting the development of business incubation space;
- ♦ spur opportunities for young entrepreneurs in new cottage industries in town.

## ✓ DEVELOP THE CHURCH AS A COMMUNITY AND EARLY EDUC. CENTER

The task force could work to:

- ♦ develop community center resources at the church especially in the area of child care services;
- ♦ offer expanded enrichment opportunities for youth in the community and explore other ways to be of service.
