## e-Vermont Community: Dover

e-Vermont initiatives in Dover were spearheaded by the Dover Economic Development Specialist Office, Dover town government, Dover Elementary School, Dover Free Library and other organizations. In just over a year, this team succeeded in bringing the following accomplishments to Dover:

- **Thirty-five netbook packages** - along with **weekly training for students and teachers** – to ensure that every student in grades 4, 5 and 6 receives a 21st century education;
- **Three workshops for residents** on the topics of Social Media and Communication, Learning to Go, and Internet Safety conducted by the Vermont State Colleges at Dover Free Library;
- **One workshop for business owners and entrepreneurs** on the topic of Social Media Marketing and Google Tools for Small Business' conducted by the Vermont Small Business Development Center at Dover Free Library;
- Creation of a **public access Wi-Fi zone** along route 100 including 4 Anaptyx OD2-N MIMO access points, site survey, installation, Anaptyx AWD Cloud Controller and Haystack Digital / e-Vermont portal template;
- Read about **many other accomplishments** in the [Dover Re-Cap \(pdf\)](#) [1].
