## Audio ~ Front Porch Forum on Equal Time Radio

2010-09-20

Michael Wood Lewis, founder of Front Porch Forum, explains how the simple web- or email-based social networking tool brings neighbors together, helps them organize, and saves them money or even finds them jobs. It's available for free to the 12 communities selected to participate in the next round of the community broadband project e-Vermont (applications due Nov. 17), for a fee for other communities who want to start up now, and they hope to have statewide coverage in 2011.
