Cambridge an e-Community

2010-05-26

As a culmination of a process which started more than a year ago, last week, the town of Cambridge was notified they will be one of 12 communities around the state accepted into a program designed to improve their online presence and capabilities.

Members of the Cambridge community worked with the Cambridge Planning Commission and helped to apply for the eVermont program. Together they wrote a proposal and solicited letters of support from various community organizations and businesses.
